

Templars Academy

Admissions Policy 2026-27

Published admission number for 2026/27 is 60, for children who are aged 4 by 31st August 2026.

There is no guarantee of a place for children living in the priority admission area.

In the event of oversubscription, places will be allocated using the following criteria in the order given:

- 1 Looked After Children and previously looked after children (as defined in the Primary Education in Essex)
- 2 Children with a sibling attending the school other than Year 6
- 3 Children living in the priority admission area, please see 'Catchment area Finder' tool on www.essex.gov.uk/admissions
- 4 Remaining applications

Should a child hold an EHCP or currently be seeking an EHCP and intend to name the school as first choice please inform the school so they can be included in admission numbers.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority

If parents would like to come and look around the school before applying to the Local Authority for a place, please contact the school office for an appointment.

Full information regarding the process of applying for a place can be found on the Essex Admissions pages: <http://www.essex.gov.uk/Education-Schools/Schools/Admissions/Pages/Admissions.aspx> and/or [Home - Templars Academy](#)

DEFINITIONS

Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after become subject to an adoption, residence or special guardianship order will be given first priority in oversubscription criteria ahead of other applicants in accordance with the School Admissions Code 2014.

**A Looked after Child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 of the Children Act 1989) at the time of making an application to a school.*

Children with Statements of Special Educational Needs

Children with statements of special educational needs or Education, Health and Care Plans (EHCP) that name the school on the statement, are required to be admitted to a school regardless of their place in the priority order.

**A Statement of Special Need is a statement made by the local authority under Section 324 of the Education Act 1996, specifying the special educational provision required for that child. An Education, Health and Care plan (EHCP) is a plan made by the local authority under Section 37 of the Children and Families Act 2014, specifying the special education provision required for that child.*

Age of Admission

The school's policy is that children born on and between 1st September 2021 and 31st August 2022 would normally commence primary school in Reception in the academic year beginning in September 2026.

As required by law, Templars Academy provides for the full-time admission of all children offered a place in the Reception year group from the September following their fourth birthday. Therefore, if a parent wants a full-time place for their child from September (at the school of which a place has been offered) then they are entitled to that full-time place. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. The law does not require a child to start school until the term following their fifth birthday. Compulsory school age is reached at that point. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.

Parents can also request that their child attends part-time until the child reaches compulsory school age. Any parent interested in taking up a part-time place initially should contact the school for further details as to what this would entail.

Where a parent of a 'Summer-born' child (1 April – 31 August) wishes their child to start school in the Autumn term following their fifth birthday, please see www.essex.gov.uk/admissions for details of what is required.

Home Address

Applications will normally be processed on the basis of the home address for the child at the time of application, with an expectation that the child will still reside there at the time of admission. Where there is a new home address, proof of an exchange of contracts or copy of a tenancy agreement should be provided. The home address is considered to be the address at which the child resides on an applications permanent basis or is 'ordinarily resident'. This is generally the address of the parent. The child must be living with the parent or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from a relative or a carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child.

Address Checking

The school will ask applicants to provide proof of their home address. This will include a copy of the following:

- Council tax notification
- UK driving licence
- Two utility bills dated within the last 6 months (gas, electricity, water or landline phone).

The school reserves the right to take additional checking measures including further documentation and in some cases unannounced home visits. If a school place is secured through false information regarding a home address, the school may withdraw the place offered.

Siblings

For applications made in the normal admission round, or mid-year, a relevant sibling is a child who has a brother, sister, adopted brother or sister, or stepbrother or stepsister living in the same family unit in the same family home and address, who attends the school with an expectation that the sibling will be attending at the time of admission. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

The Right of Appeal

Parents have the right of appeal against admission decisions. Information on Admissions Appeals for 2023-24 can be found at [www. https://www.essex.gov.uk/after-your-school-offer/appeals](https://www.essex.gov.uk/after-your-school-offer/appeals)

New Admissions Waiting List

For new admissions, in the event of oversubscription, a waiting list is maintained in accordance with our admissions criteria by the Local Authority. The waiting list will close at the end of the Autumn Term. Parents/guardians are not told where they stand on the waiting list as this could be subject to change if a new application is received by the school which falls into a higher category than that already received. Parents/guardians may only be advised of the perceived likelihood of a place becoming available. When a place in any class becomes available the waiting list is scrutinised and the child who is in the highest category (according to the admissions criteria) will be offered that place (in writing). If a place is declined the place can be offered to the next child on the list (as previously determined).

Applications for school places outside the normal admissions round

All mid-year applications should be made directly to the academy, using the mid-year application form available on the academy website and/or the school office. Mid-year applications (sometimes called in-year applications) are any application for a school place made to a year group, apart from September admissions to Reception (primary and infant schools)/Year 3 (junior schools).

For applications into existing year groups, a place will be offered when the number of pupils in the relevant year group is below the admission number for that year group

A waiting list will be held, where necessary, until the end of the Academic Year, at which point it will be cleared. If parents want to be on the waiting list for the following year, they need to apply again.
