20<sup>th</sup> March 2020

Dear Parents/Carers,

The last week has seen the most challenging circumstances of our time but we have worked hard to keep school and our routines as consistent and 'normal,' for the children and all our school community.

It is necessary for us, as a school, to be prepared for closure. It is important that you and the children know that our support will not disappear during this worrying and unpredictable time. We will continue to work and support with families to ensure that no one in our school community feels isolated or alone during a school shutdown period.

In a period of school closure, we have a temporary contact number which will be monitored by Mrs Welsher: **07376 221495**. We will be using this number to contact families during closure, to 'check in', and we can be contacted on this number, for support, advice or signposting to other services. Sometimes our calls might show up as 'No Caller ID', so please be aware that we will be keeping in touch.

Please find a list of numbers under the contact section of important contacts, for both school and other local services. Please keep these in a safe place.

We realise that this is a challenging and difficult time for all but we are determined to keep our school community united.

Yours sincerely,

Miss Victoria Gooding  
Head of School
